

Separate HSIP vs. HSI in SEP Trade

▶ Trade space

- Separate HSI Plan
- HSI content fully integrated into SEP
- HSI content partially integrated into SEP supported by appendix
- HSI content in SEP appendix only

▶ Trade considerations

- Who needs to review content?
- What best supports needs of HSI practitioners? Systems engineers?
- How easy is it to find the information?

For optimal HSI integration and development cost reduction HSI should be fully integrated in SEP.
